## INSTRUCTIONS FOR FORM 0-71

The New Jersey Estate Tax was revised on July 1, 2002. The revised statute was made retroactive and applies to the estates of decedents dying on or after January 1, 2002. N.J.A.C. 18:26-11.30 and 11.31 provide that all corporations, associations, societies and other organizations which sell life insurance or annuities in New Jersey must:

1. Give notice to the Director of all sums payable by them on or after April 7, 2003 as the result of the death of a resident decedent by filing Form 0-71 as soon as practicable after the death of a decedent but in any event not later than 10 days after any full or partial payment has been made. Completed Forms 0-71 may be mailed to the Division on a monthly basis. A completed Form 0-71 which is made part of a monthly mailing will be deemed to have been mailed in a timely manner provided that the monthly mailing is within one month of date on which the form would otherwise be required to be mailed.
2. Advise each beneficiary listed on a Form 0-71 that information regarding death claim payments is being supplied to the state pursuant to requirements of the New Jersey Division of Taxation and that it is the position of the Division of Taxation that a beneficiary or beneficiaries may, in the absence of state or federal statutes to the contrary, be personally liable for any and all inheritance and/or estate taxes until paid.
3. The written consent of the Director is not required to release sums payable.

Form 0-71 must be submitted in all cases where:

1. Payment is made as a result of the death of a resident decedent under the terms of a life insurance policy, endowment policy or an annuity contract owned by the decedent or;
2. Payment is made as a result of the death of a resident decedent under the terms of a supplementary optional settlement or similar contract issued to effectuate the distribution of benefits originally payable to the decedent under the terms of a life insurance policy, endowment policy or an annuity contract except when the sums payable represent a continuation of payments under a policy or contract which provided for such payment at a prior decedent's specific direction or;
3. A partnership, firm or corporation is entitled to receive payment in its own right in those situations where the decedent held an interest in the partnership, firm or corporation at death.

Both the Inheritance Tax and the Estate Tax are due and payable on a decedent's date of death. Amounts reported on Form 0-71 must reflect date of death values. Accumulated dividends, post-mortem-dividends, terminal dividends and premium refunds are required to be reported on Form 0-71.

Neither Form 0-71 nor a tax waiver is required for any payment or payments made outright to a decedent's surviving spouse. If any payment or payments has or will be made to a beneficiary or beneficiaries other than the decedent's surviving spouse, Form 0-71 must be submitted as set forth in the above instructions.

Neither Form 0-71 nor a tax waiver is required for any payments made under pension or retirement plans (including group annuity contracts) legally owned by an employer or qualified trust. See N.J.A.C. 18:26-11.13(a)4.

For decedents with a date of death after December 31, 2001, Forms 0-71 required to be mailed on or before November 1, 2003 will be deemed to have been mailed in a timely manner provided that they are mailed no later than July 1, 2004. If payment was made to a beneficiary or beneficiaries prior to November 1, 2003, the beneficiary or beneficiaries need not be notified.
